- Prices are quoted DDP American Canyon and include ocean freight, insurance, duties and trucking to our American Canyon Warehouse
- Shipping and handling from our American Canyon Warehouse to your winery or home office (business delivery address preferred) is extra and could be coordinated by Artisan Barrels with C-Line Express, UPS, FEDEX or any other carrier of your choice
- I encourage small wineries and home winemakers to place their small barrels orders in the spring of 2010 due to the limited production capacity of our coopers for small cooperage; we only have partial inventory of small barrels on hand during and after harvest
- Payments are due in US Dollars for all small barrels (Allary, Saint Martin, Artisan barrels Selection, A&K) except Rousseau (Euros)
- Payment terms are due on receipt via personal check, cashiers check, Paypal or credit card (3% credit card convenience fee added)
